April's Virtue: Justice

The virtue we are studying during the month of April is Justice.

Justice means being fair and giving each his due. Too often, justice is not seen in this way in today's world, which often confuses justice with revenge. Our society also confuses fairness and giving each his due with the concept of equality. While we are truly equal in dignity before God, "our due" is based upon our genuine need, which varies from person to person. The saints being studied this month include St. Anthony of Padua, St. Katharine Drexel, and St. Thomas More. What can you do at home? Have a family board game night, and make sure that the younger children have easier rules to follow than older children. Have your child interview an adult they admire and find out what they think a person owes out of justice to God, family, and country. You can even help your child research the rights of a US

The Luck of the Irish Spring Gala Thank You!

Thank you to all who attended either physically or digitally (via the online auction) this year's Luck of the Irish Spring Gala! A wonderful time was had, and most important, we were able to properly honor Mrs. Miriam Whitman for her year's of tireless service to the parish and school. A thank you also for your generosity. We raised over \$10,000 on this year's silent auction alone, for our best year yet!
