## The \$15,000 Foodie Fest Reverse Raffle

The St. Benilde Foodie Fest is October 28-30, 2016 on the St. Benilde School grounds! Proceeds from the Foodie Fest go to school improvement efforts, including updated learning resources, technology, classroom equipment, and school beautification.

This year, the Foodie Fest is doing a \$15,000 Reverse Raffle! Here is how it works...

❖ We are selling 300 tokens for \$100 a chance... that means you get a 1 in 300 chance at winning \$15,000!

❖ In a reverse raffle, you want to be the LAST number called... not the first. Starting with the opening of the fair on October 28, we will pull numbered tokens every hour at the alumni booth. Numbers called will be eliminated from the chance at \$15,000.

❖ HOWEVER, we will have some wildcard tokens in with the numbered tokens. If your token is pulled immediately after a wildcard token, you can win one of several cash prizes.

❖ On Sunday evening during the last hour of the Foodie Fest, the owners of the last ten tokens will be called to the stage. We will pull tokens one at a time. After each token is pulled, the remaining token owners will be given a choice... they can either keep going or split the \$15,000 evenly among them. All of the token owners most unanimously agree to split the money to do so... so if one holds out, we call the next token!

Tokens are on sale NOW! The sale closes October 27 or when the 300th token is purchased, which comes first. So go to [501auctions.com/sbsgala](http://501auctions.com/sbsgala) and click on "\$15,000 Raffle" and buy your chance at \$15,000!

## Flood Relief

St. Benilde School is committed to ongoing efforts to help the families impacted by the flooding in and around Baton Rouge in August. That is why we have chosen to partner with St. Jeane Vianney, a Catholic elementary school that received water in both the school and neighborhood. Eighty families and thirteen teachers at the school were impacted by the flooding. As a school, we will be adopting these families throughout the school year.

Right now, the families need money to buy cleaning supplies and basic necessities. We will be taking donations on Tuesday and Wednesday of next week at the school. No donation is too large or too small. Please be as generous as you can. The donations will be brought to Mass on Wednesday morning. Any students who bring in a donation will be given extra recess on Thursday as a thank you for their donation.

## Confetti Eggs for the Fair

This is just a friendly reminder that we will be collecting **empty,rinsed eggshells** in **their carton each Friday!** Please keep in mind that we will **continue** to collect eggshells **every Friday until October 7th, 2016.** **The specifics of the collection are listed below.** We encourage you to continue donating **empty,rinsed eggshells** for the Confetti Booth, as that is the most **POPULAR BOOTH** in the entire fair, next to the Chicken on a Stick Booth, of course! Our children love cracking confetti eggs on their friends and family! We need to have enough eggshells to get us through the entire fair, which is

around **50 large** garbage bags filled with cartons of eggs! So, we truly need your help in order to accomplish this goal and we are positive that our families can help us meet, if not exceed this goal!

- Please bring in **empty,rinsed eggshells** in **their carton** every Friday until **October 7th, 2016**. You can place the carton of eggshells in the **box** that will be located in your **child's classroom**. **Please note** that they **can not** be dropped off in the **cafeteria** any longer and they must be placed in the box in the classroom.
- **Please label** each carton with **your child's name and grade with a black marker**. That way, we can keep track of individuals that donated and their grade.
- In return for your donation, you can earn 1 Benilde Buck per egg or 1 Dress Down Day for a carton. **However, there will be a 5 Dress Down Day maximum for your donation. So, the most Dress Down Days that you can earn is 5 for your donation. However, please do not let that discourage you! We need your eggs!**
- In order to keep the momentum going, we are launching the **fiercest class competition** that the school has ever seen! **We can not wait to see which class wins! We assure you that the class parry will blow your mind!**
- We had heard from several people that You Tube has a video that shows the best way to crack an eggshell to make a confetti egg is to use a butter knife, crack the top of the egg, pull back the cracked eggshell, and pour the egg into your pan to cook! Now,those of you that are You Tube experts may be able to find an even better way!

Once again, we are so thankful for the support of our families! This year's fair is going to be the **best one ever** because of you! **If you have any questions regarding eggshells, please contact Roxanne Valenti Directly at [roxannemvalenti@gmail.com](mailto:roxannemvalenti@gmail.com) and she will be happy to assist you! Have a great night!**
