May Virtue of the Month: Zeal

Our final virtue this year is Zeal. Zeal is being driven by an intense love for God. Zeal is what keeps us active in living our faith every day, year after year. Examples from Christian history of those who showed zeal include St. Paul, St. Dominic, and St. Francis Xavier. What can families do at home to teach more about zeal? Every day this month, tell someone something about God; pray for Christian missionaries who work each day to make sure everyone on Earth has heard of Jesus Christ; you can even interview a priest, deacon, or nun about their life and why they chose it.

Student/Parent/Teacher Conferences

At the end of September of this school year, each student sat down with their parents and teacher to set goals for the year: one in academics and one in spirituality. Now it is time to review those goals, determine what success we had, and what we could have done in areas we did not have success. At this meeting, we will also set our summer learning goals, which will be reviewed at the start of next school year! For this reason, there are no regular

classes on Monday, May 23. Families are asked to call Mrs. Dawn Perrier in the school office Monday May 16 through Friday May 20 at 504-833-9894 and schedule your meeting!

Men's Club Meeting

Come join us for the last Men's Club Meeting of the year on Monday May 16! Dax Barrett - Men's Club President - will give his end of the year report. Beverages and dinner will be provided. Haven't been to a meeting yet? Come and attend this one, and find out all of the excitement for next year!
